

CATÁLOGO CORPORATIVO

MEDI SAÚDE

Mobiliário para recepções, salas de espera
e áreas de convivência em hospitais e clínicas

Ambientes corporativos também fazem parte do cuidado.

A experiência de um hospital ou clínica começa muito antes do atendimento.

Ela está na recepção que acolhe, na sala de espera que transmite conforto, nos espaços de convivência que tornam a permanência mais leve e na forma como cada ambiente faz as pessoas se sentirem.

Pensando nisso, a linha corporativa Medi Saúde foi desenvolvida para compor ambientes mais elegantes, funcionais e acolhedores, integrando conforto, sofisticação e praticidade em diferentes espaços hospitalares e corporativos.

Com soluções para recepções, consultórios, lounges, salas de espera, áreas administrativas e ambientes de convivência, a Medi Saúde oferece mobiliários que ajudam a criar experiências mais organizadas, agradáveis e alinhadas ao padrão de cuidado de cada instituição.

Mais do que compor espaços, acreditamos que o ambiente também comunica atenção, bem-estar e confiança. Por isso, cada peça da linha corporativa combina design contemporâneo, conforto e versatilidade para atender diferentes necessidades de uso, fluxo e permanência.

Porque em ambientes de saúde, cuidar também está na forma de receber.
